GENERAL RULES:

- All spaces and stands must be fully operational during the hours when the event is open to the public. No visitor will want to see your stand empty.

- The placement of any and all types of advertising for products and services that have not been previously communicated and approved by the LTRF organization or that in any way collide with advertising obligations assumed by the organization is not allowed.

- It is not allowed to sell items or products in the stands that have not been previously communicated and approved by the LTRF organization
- It is not allowed to do Piercing, Scarefication, Branding etc in the stands. Only tattoo is duly authorized.
- All stands / tattoo artists are legally responsible for the services provided.
- All stands / tattoo artists must have the necessary documentation to prove the legality of their professional activity in case of inspection. Required by law.
- All stands / tattoo artists must have a manual or electronic billing system as well as a complaints book. Required by law.
- The minimum tattoo price to be practiced at LTRF is €50. no work can be charged below this amount. Art has to be valued, tattoo artists must value their art and work and, in turn, educate the customer to look for quality and not price. Following this philosophy, we alert all suppliers to the need to maintain price consistency, not tolerating any type of price variation during the event based on the prices of competing suppliers.
- All rules imposed by the DGS and other entities relating to COVID 19 must be fully complied with, with tattoo artists responsible for the use of all personal protective equipment.

ANY STAND OR EXHIBITOR THAT DOES NOT COMPLY WITH THE POINTS REFERRED TO WILL BE PENALIZED, MAY BE EXCLUDED FROM THE EVENT AND PREVENTED FROM REGISTERING IN FUTURE EVENTS WITH NO REFUND.
